

Poppyfields

Extra Care Services

Poppyfields is a purpose-built Extra Care development designed specifically around the needs of older people. Living here you will have all the benefits of independent living in a modern, self-contained apartment, with the re-assurance of being able to access care and support 24 hours a day and 365 days a year. Peace of mind for you and for members of your family.

The benefits of living at Poppyfields;

- You are free to come and go as you please
- You will have peace of mind that your home is safe and secure
- Staff are on-site 24 hours a day to provide bespoke support that enables you to maintain your independence
- You'll be able to access a range of facilities and activities, you choose how this works for you
- You'll get a freshly prepared two course hot meal daily

Wirral Council will commission a care and support provider and will work with you to assess the level of care and support you need. This could include; personal care, assistance with medication, preparing meals, some cleaning and laundry and general advice/support on keeping healthy.

The cost of care is not included in the rent and will be charged directly by the Council. A basic charge* is payable by **all residents** with any additional care charged in line with the care you receive. You may be eligible for help with care costs, this will be determined by Wirral Council.

***In 2019/20 this was £6.56 per person/week. This is subject to annual review and the 2020/21 rate will be announced in March.**

Poppyfields

A great place to grow older

Do you want to live at Poppyfields? Let's get started.....

Ring us on 0151 346 1598, ask for Andy Keelan

Email: enquiries@alpha-living.co.uk
